What happens after you apply?

Applications are assessed taking into account Assessment Criteria including:

- applicant's objectives for attending the approved festival, including marketing and networking opportunities available
- other projects of the applicant in development that may benefit from exposure at the approved festival and which could be presented to potential partners/sales agents
- benefits to the applicant, their project/s and the Victorian screen industry gained by attendance
- how the project, its cast and key creatives address gender equality, diversity and inclusiveness.

Preference will be given to projects:

- screening in competition or selected for a major program within the approved festival
- fully completed in Victoria, from all-Victorian teams
- that have received VicScreen development or production funding
- that have not received travel support funding from other parties.

Funding is competitive and decisions will take into account the availability of International Travel – Festivals funds, diversity of the current slate of projects and teams and the perceived need for VicScreen funds by the applicant.
