

VICTORIAN SCREEN INCENTIVE

PRODUCTION

La Brea, Universal Television

World-renowned talent, skilled and experienced crews, award-winning VFX and animation studios and post-production specialists, and top production facilities. When it comes to production, Victoria sets the perfect stage.

Located on the doorstep of downtown Melbourne, Docklands Studios Melbourne's state-of-the-art, purpose-built sound stages, large production office and workshop spaces are ready for your project. The latest addition? A sixth sound stage that is one of the largest in the southern hemisphere. At 40,000 sqft (3,700 sqm), with a 240,000 gallon water tank, it really is a super stage.

Victorian locations have been the backdrops to some of the world's most captivating screen projects, and can double for almost anywhere in the world. A modern metropolis with historic foundations. Period, contemporary and futuristic. Breathtaking natural landscapes. Beaches, deserts, mountains, forests. All within an hour's drive of the city.

It's time to make it in Melbourne, Victoria.

The Victorian Screen Incentive (VSI) is a competitive and simple grant to bring your production to Victoria. An incentive to make our state your stage.

Is my project eligible?

To qualify, spend a minimum of AU\$3.5 million on physical production, or physical and post-production, in Victoria.
